

HOUSE RESOLUTION 310

By Swafford

A RESOLUTION to honor and commend the management and employees of the Clean Earth Corporation for their meritorious environmental efforts.

WHEREAS, it is fitting that members of this General Assembly should pause to specially recognize those exemplary organizations and their individual members that, through an abiding commitment to excellence, are a credit to their communities and this state; and

WHEREAS, the individual members of these outstanding institutions have brought honor to Tennessee with the dedication of their personal time, efforts, and talents to improving the quality of life and preserving the environment for their fellow citizens; and

WHEREAS, the Clean Earth Corporation is one such praiseworthy business that is most assuredly deserving of special recognition for its tremendous success in environmental conservation with the recycling 300 million gallons of water; and

WHEREAS, the Clean Earth Corporation is a Tennessee corporation with a great tradition of providing innovative technologies and methodologies that allow American businesses to reduce costs and increase safety while also ensuring regulatory compliance and environmental stewardship; and

WHEREAS, the inventive techniques used by Clean Earth have been shown to reduce hazardous waste by up to eighty percent, reduce the use and cost of chemicals by ninety percent, reduce or eliminate the handling of dangerous chemicals, recycle millions of gallons of water annually, increase the safety of operators, and reduce the number of man hours associated with non-productive work; and

WHEREAS, the progressive-thinking individuals associated with the Clean Earth Corporation are serving their fellow citizens by means of their peerless vision, foresight, hard work, and dedication to the collective health and welfare of Tennessee; and

WHEREAS, the Clean Earth Corporation is truly a great organization with a tradition of being a catalyst for positive change; and

WHEREAS, the management and employees of the Clean Earth Corporation should be specially recognized for their impeccable public service and many superb contributions to Tennessee's ascendancy as one of the most progressive and prosperous states in the nation; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIFTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, that we commend and applaud the management and employees of the Clean Earth Corporation for their incredible efforts in recycling 300 million gallons of water, salute their continued practice of environmental conservation, and extend our best wishes for success in their future endeavors.

BE IT FURTHER RESOLVED, that an appropriate copy of this resolution be prepared for presentation with this final clause omitted from such copy.
